

Position Type: Non-Exempt
Category: Regular, Part-time
Reports to: Director of St. Luke's Early Childhood Weekday Program

St. Luke's Early Childhood program is a weekday, play-based program that creates learning opportunities through play supporting their development of social and cognitive skills. We serve children ages 10 months through age six. This part-time program is Monday through Friday; two to five days a week available. Smaller classes allow for more one-on-one nurturing & teaching.

The Preschool teacher is responsible for providing a safe and developmentally appropriate preschool program in accordance with all policies and procedures set forth in the Staff Handbook. Teachers must be highly energetic and focused on providing a loving and engaging environment for children. The ability to be a team player (with co-teacher and staff) and build positive relationships with children and families are key components to our program.
